- e. Support retention of a 1968 Constitutional Amendment to ensure home rule for counties and municipalities, and oppose any legislation inconsistent with League of Women Voter positions.

2. Education

- a. Support adequate funding for public education, and no use of public funds for the expansion of charter schools or through a voucher program

3. Natural Resources

- a. Support full funding of the Florida Forever land acquisition program and proper implementation of the Water and Legacy Conservation Amendment adopted in 2014.
- b. Support the ban of advanced well stimulation treatments (fracking) including but not limited to hydraulic fracturing and matrix acidizing.
- c. Support legislation that would promote the use of solar power by measures such as: requiring installation of roof-top solar on all new construction, promoting support of partnerships and co-ops in support of the 2016 Solar Amendment 4.
- d. Support legislation to address climate change through energy conservation and greater use of renewable energy sources, and to promote compliance with the goals of the Paris Climate Accord.

4. Gun Safety

- a. Support a ban of all semiautomatic assault weapons and large capacity ammunition magazines.
- b. Support comprehensive universal background checks.
